

Segment performance

Group revenue grew across all reporting segments in 2025. Growth was strongest in the wholesale channel, where volumes rose by double digits. Revenue from intercompany deliveries is excluded throughout this extract and reported separately in note 4.

The comparative period has been restated following the disposal announced in 2022. Prior year Q1 revenue is reported as EUR 3,200,000 on this basis.¹

All amounts are shown in euro unless the column heading states otherwise.

¹ Restated. Previously reported as EUR 3,050,000.

·We report intercompany revenue separately because netting it would flatter the growth rate.·
